At Bristol Myers Squibb, We Provide Support With Purpose

Patients are the reason behind what we do. BMS Access Support is dedicated to helping patients access their prescribed BMS medications. When patients are prescribed IDHIFA® and enroll in BMS Access Support, they will have access to:

Coverage Assistance

BMS Access Support may offer benefits investigations, prior authorization assistance, and appeal process support.*

Financial Support

Eligible, commercially-insured patients may pay as little as \$0 per one-month supply.†

For patients insured through a government program or who do not have insurance, BMS Access Support can provide information regarding independent charitable foundations.‡

Educational Resources

A library of office support resources provides information about patient access, payer policy details, product distribution, coding, billing, and reimbursement. Patients also have access to educational materials to help them understand their insurance coverage.

Online Enrollment

You can begin the enrollment process by completing and signing the Enrollment Form online via the BMS Access Support website.

After you sign the Enrollment Form, an email will be sent to your patient to complete the consent form with an e-signature.

*The accurate completion and submission of reimbursement and coverage-related documentation to the patient's insurance plan is the responsibility of the provider and patient. Bristol Myers Squibb and its agents cannot guarantee coverage for any treatment.

†Restrictions apply. Please [click here](#) for full Terms and Conditions, including complete eligibility requirements.

‡It is important to note that charitable foundations are independent from Bristol-Myers Squibb Company and have their own eligibility criteria and evaluation process. Bristol Myers Squibb cannot guarantee that a patient will receive assistance.

We're here for you.

Coverage assistance, educational resources, and financial support options may be available through BMS Access Support®
